Data Sheet: Multi-Purpose Lithium Grease #2

Product Application:

Golden West Multi-Purpose Lithium Grease is an amber colored, NLGI 2 grade lithium stearate based grease with rust and oxidation inhibitors. It has good stability, water resistance and softening resistance at high operating temperatures.

Golden West Multi-Purpose Lithium Grease is recommended for general automotive chassis lubrication points, ball joints and universal joints, as well as general farm and light industrial lubrication applications. It is compatible with other lithium grease, but is not recommended for disc type wheel bearings.
